## LETTER OF RECOMMENDATION

07.08.2024

Chirkov Konstantin Ruslanovich worked in AI Think as **Front-end developer intern** from **01.02.2024 to 28.07.2024**.

During their internship, Chirkov Konstantin was involved in a variety of projects that required both technical and analytical skills. They showed a keen aptitude for frontend development and quickly became an integral part of our team. Their ability to learn and adapt to new technologies, such as:

- **TypeScript**
- **React/Next.js**
- **Machine learning**

was particularly impressive.

Chirkov Konstantin approached each task with enthusiasm and a problem-solving mindset. Their attention to detail, combined with their strong communication skills, allowed them to collaborate effectively with both technical and non-technical team members. He consistently met deadlines and provided high-quality work, demonstrating a level of professionalism beyond his years.

**I highly recommend him as an employee.**
